to me, uni.ghosh2021, enjith.pn, sudhakaran.g

After a rigorous peer-review process, your article has been Provisionally ACCEPTED for publication in the 2025 4th International Conference on Creative Communication and Innovative Technology (ICCIT).

Review reports from Reviewer 1 and Reviewer 2 have been received. The review process is single-blind. Please prepare to respond and revise your manuscript promptly. The deadline for submitting your revisions is within 14 days of receiving this notice.

Paper ID: 161
Title: Quantum Cryptography for IoT Security in Aerospace and Satellite IoT
Author Name: Nayoneeka Paul, Runi Ghosh, Renjith N, Sudhakaran G

It is mandatory to revise your paper(s) according to the reviewers' comments. The detailed review is listed below this email.

We encourage you to prepare your manuscript using LaTeX following the IEEE formatting guidelines. While submitting revisions, you may also include files in MS Word and PDF formats for review. The use of LaTeX ensures professional presentation and alignment with publication standards. If you encounter any challenges, please do not hesitate to reach out for assistance.

The accepted similarity rate is 20% as checked using Turnitin. To ensure compliance, please review and address any flagged content accordingly.

All related conference materials can be found at (https://iccit-conference.org/2025/). Please let us know if you have any questions regarding registration.
